

Ordination Papers

Gentlemen,

Pastor Kyle has asked me to prepare written ordination papers in the following categories:

Brother Paul,

Here's a list of the area's I see that are important for you to cover:

Theology Proper - The Doctrine of God

Bibliology - The Doctrine of the Bible

Christology - The Doctrine of Christ

Pneumatology - The Doctrine of the Holy Spirit

Angeology - The Doctrine of Angels

Anthropology - The Doctrine of Man

Hamartiology - The Doctrine of Sin

Soteriology - The Doctrine of Salvation

Ecclesiology - The Doctrine of the Church

Eschatology - The Doctrine of the Last Things

In addition to these areas I would like to cover one other area, namely Israelology-The Doctrine of Israel. I think this area can have a sweeping effect in all of the above areas, but especially in the areas of Soteriology, Ecclesiology and Eschatology. I have been greatly influenced by Dr. Arnold Fruchtenbaum in this area. He spent thirteen years writing a book titled "Israelology – The Missing Link in Systematic Theology."

This truly does seem to be the missing link in systematic theology. Those who do not see a distinction between the church and Israel tend to struggle especially in the above three areas. So to start things out I would like to do a somewhat expanded written presentation on Israelology and then cover the other ten areas of doctrine as well. Thank you.

Sincerely in Christ,

Paul Pawlak
